

## Learning Support Information

If you have indicated in the admissions application that your child has special learning issues, please complete this form. The information you provide will help ISH determine if we have the appropriate programs of support to ensure your child has a successful academic experience.

Please submit the results of any diagnostic testing or individual educational plans from your child's previous school. Disclosure of information regarding your child's learning support needs is a required part of the application.

Child's name \_\_\_\_\_  
 Mother Tongue \_\_\_\_\_

Date of birth \_\_\_\_\_  
 Grade applied for \_\_\_\_\_

Please tick "Yes" or "No" for each row:
